Strong's journal

Dear Joshua:

We have just had a visit from Bernard Nebel who was a personal friend of Huskins' and he has asked me if I have heard anything about John Huskins since his father's death. (Is he managing to get to college?) Perhaps, as you are on the spot, you could give me some idea as to how he is making out. Nebel was wondering whether the children had anyone to advise them on legal and financial matters, and while not wishing to interfere, he wondered if someone ought to offer to help them.

Sincerely,

H. B. Newcombe
